2018

The Manitoba Cutting Horse Association has been celebrating the western heritage of the cutting horse for over 50 years. We are proud of the horses we ride and the sport we enjoy and have had numerous members win local and national honors in this exciting equine activity.

Our club depends on sponsors like you to ensure that this activity continues in Manitoba. We have over thirty members and host a variety of events annually. The excitement of the interplay of our superb equine athletes with the cattle in a no-harm competition always draws crowds of onlookers. We prominently display our sponsors' banners and announce them over our sound system during the shows. Our members and their friends and families make every effort to do business with the businesses that support us!

Our sponsorship levels are **Gold**, **Silver** and **Bronze**, however any denomination or silent auction item is appreciated! We thank you for your support!
